

Value of a Jaycee Membership

Developing Future Leaders through Community Service

OUR MISSION: To recruit and train leaders by providing fun, innovative opportunities for individuals to serve humanity.

OUR VISION: To be the organization of choice for young people, providing direction and leadership to our communities and nation.

We have a place for you in the Winston-Salem Jaycees!

For more than 80 years, we've been the Winston-Salem area's organization of choice for men and women 21-40 years of age who want the best opportunity to develop personal, business and leadership skills through community service and organizational involvement.

We strive to have a well-balanced offering of activities for our membership. This is supported by our chapter achieving **1st and 2nd** place in the "Parade of Chapters" **on the state level** for several years! This competition judges a chapter's involvement and variety of offerings to their membership. Also our community area of opportunity achieved **3rd place in the US** for 2011.
